

Dear All,

Bridge Dental Practice recognises the unprecedented and extraordinary circumstances dentists and all healthcare professionals face related to the growing concern around COVID-19.

We are deeply concerned for the health and wellbeing of the public and the dental team.

In order to mitigate the spread of COVID-19 we at Bridge Dental Practice will postpone all elective procedures for the foreseeable future.

We will be open as usual for patients who require emergency dental treatment.

We will continue to evaluate the situation and update our patients on the situation continually as and when new information becomes available.

Stay Safe and Thank you,

The Bridge Dental Practice Burnley Team.
